

## A delicious day celebrating Spain at The Old Downs Residential Care Home

**On Wednesday 14 April our residents at The Old Downs Residential Care Home arrived in Spain on our virtual Cruise.**

We started the day with **Spanish Café music**, reminiscing over our holidays to Spain from the past and then our ladies and gents loved watching '*Steptoe and son*'.

For lunch our Chef had prepared a choice of **delicious paella** or **baked salmon**, with **tomato salsa** and '**patatas bravas**' (spicy potatoes), followed by a dessert of **Spanish lemon tart**. *A treat for the tastebuds!*

In the afternoon our residents thoroughly enjoyed **drinking sangria and red wine**, and **sampling tapas** – we had a lovely selection of Spanish salamis, cheese, chorizo, olives, crackers and pate.

*Everyone loved celebrating Spanish culture.*
