

## A delicious day in Italy at The Old Downs Residential Care Home

**On Wednesday 12 May we flew over to Italy with our residents at The Old Downs Residential Care Home!**

As part of **Around the World with Nellsar Cruises**, our residents thoroughly enjoyed their morning creating **Italian-themed arts and crafts**.

For lunch we served **homemade bolognese and chicken**, with cheese, herbs garlic and fresh slices of tomato. To sweeten things up, there was **tiramisu** and cream for dessert. *Delicious!*

### Pizza making

In the afternoon **we made pizzas from scratch**, with a variety of toppings including salami, mushrooms, ham, mozzarella, onions, fresh tomato and cheese slices.

Once cooked, our residents enjoyed them with white or rosé wine, and music from Italian singer Eros Ramazzotti.
