

A hocus pocus Halloween at The Old Downs Residential Care Home

Our residents at The Old Downs Residential Care Home enjoyed a magical Halloween this year.

We hosted a fantastic **Hocus Pocus Party** with a brilliant '*Magic and Mayhem*' magician who entertained us all with his super tricks, including disappearing scarves, making a beautiful white rabbit appear and sculpting some fantastic balloon creations! We all loved his show and he was so engaging with our ladies and gents.

The magic show was followed by a delicious finger buffet laid on by our kitchen team.

Everyone looked very fetching in their witches hats as you can see! And some of our ladies helped get us in the spirit by crafting some brilliant pumpkin decorations.

Thank you to everyone who helped make the party so much fun!
