

A little taste of Italy at The Old Downs Residential Care Home

We celebrated a 'Taste of Italy Day' here on Tuesday 22 September at The Old Downs Residential Care Home.

Our ladies and gents joined in for Italian-themed arts and crafts; we made **pasta necklaces** in Italian flag colours – red, white and green.

We enjoyed listening to **Italian music** and for lunch our residents enjoyed a **traditional lasagne**, followed by a tasty **tiramisu** for dessert.

In the afternoon we put on a spread of lovely Italian **cheeses and wine for tasting** and everyone had a great time sampling all the different delicious flavours.

Italian arts and crafts!
