

Ann turns 103 at The Old Downs Residential Care Home

Birthday wishes

This weekend at The Old Downs Residential Care Home we celebrated our resident Ann's 103rd birthday by having a party for with her with her favourite singer, Kevin Walsh.

Ann's family came to join in the birthday celebrations and everyone had a great time **singing and dancing** .

Many happy returns Ann – 103 years young!

Wreath making

On Sunday 3 December our residents started making their **Christmas wreaths**.

We collected some **foliage from our garden** and started pulling them together. Our residents really enjoyed this activity, working with the lush green pieces, pine cones and red trimmings.

We look forward to creating some more soon.
