

## **Annual summer BBQ at The Old Downs Residential Care Home**

**Staff and residents here at The Old Downs Residential Care Home had a fantastic time at our annual family barbecue on 15 August.**

Our residents enjoyed visits from their families and we were overjoyed to have singer Jasmine to entertain us!

We also had some wonderful prizes for our raffle and raised £150.

***Everyone had a lovely day and we're already looking forward to next year's!***
