

## Around the world festivities at The Old Downs Residential Care Home

Last week we had a 'Christmas Around the World' event at The Old Downs Residential Care Home.

Our residents enjoyed baking **Christmas cookies** from the Netherlands, making **Christmas decorations** from the Philippines and eating **Christmas cake** from Italy! *What larks!*

They also coloured in **Christmas posters** illustrating different countries including France, Australia and Russia.

It was so interesting to try these festive traditions from different cultures – *and who doesn't love Christmas cookies and cake?!*
