

Bake and taste at The Old Downs Residential Care Home

Biscuit creations

On Thursday 23 September some of our residents at The Old Downs Residential Care Home joined in for a 'bake and taste' session together.

We had great fun covering biscuits with pink icing, then decorating them in **crazy face designs** with edible eyes, noses, mouths, ears and sprinkles!

Once finished, we took the biscuits around our **Home** for our residents to enjoy. *They were a big success!*

Enjoying the garden

Last week some of our residents spent some **relaxation time in our garden**.

They thoroughly enjoyed the beautiful weather outside, **eating ice creams** or **lollies** and socialising with each other.

We hope the autumn sunshine stays for a while longer!
