

Bowdy the dog and a treat from Chef Sue at The Old Downs Residential Care Home

On Friday 31 of January, one of our resident's family members brought in dog Bowdy to see us at The Old Downs Residential Care Home.

Our residents loved meeting, stroking and making a fuss of **Bowdy**, who loved all the attention!

We've also been treated by our lovely **Chef Sue** this week, who presented our residents with an amazing homemade **salted caramel cheesecake** and pretty bowls of fruit salad today (...towards our five a day!). They looked and tasted divine. *Thank you Sue, we always love your creations!*
