

Burns Night and Australia Day at The Old Downs Residential Care Home

Burns Night

Our residents at The Old Downs Residential Care Home celebrated Burns Night together on Monday 25 January.

We organised a variety of different Burns Night **themed colouring pictures**, enjoyed some **Robert Burns poems** and rounded it off nicely with traditional **haggis, neeps and tatties**, which went down a treat!

Australia Day

And we continued the celebrations on to Tuesday when we marked **Australia Day** in our **Home**.

Our residents helped us put up **decorations** in the morning, including Australian flag bunting, balloons and inflatable kangaroos, which got us all in the spirit of 'down under'.

Later, we enjoyed **Australian arts and crafts** and a glass of traditional **Australian root beer**.

Our residents looked at home in their **Australian cork hats** and we all thoroughly enjoyed the spirit of the day.
