

## **Cake heaven at The Old Downs Residential Care Home**

**On Saturday 16 September we used our creative skills to decorate some tasty cakes with raspberries, strawberries and cream for our afternoon tea at The Old Downs Residential Care Home.**

Our residents very much enjoyed this activity as it evoked **memories of their own family baking days.**

In the afternoon they **shared the cakes with their friends at a tea party**, which went down a treat – *what a lovely way to spend time together!*
