

Camping in Ireland at The Old Downs Residential Care Home

On Wednesday 10 November a group of our residents at The Old Downs Residential Care Home joined in for a day of 'Carrying on Camping' in Ireland!

We decorated our conservatory with **Irish flag bunting** and our residents looks great in their **Irish flag hats** too!

Our ladies and gents enjoyed putting together a **tent**, with assistance from our staff, and loved an afternoon of Irish favourites including a selection of lively **Irish music** and a choice of **Guinness** or **Irish cream** from our decorated drinks trolley!

Great fun and lovely to celebrate Irish culture.

Irish themed day with drinks
