

## Camping in Scotland at The Old Downs Residential Care Home

### Virtual camping

On Wednesday 15 September our residents at The Old Downs Residential Care Home joined in for a day of camping in Scotland!

Our ladies and gents had a fun making **Scottish bunting**, colouring themed pictures and watching the classic film 'Carry on Camping' of course!

One of our lovely gents John enjoyed making an actual **campfire in the woods** too!

*We all enjoyed getting into the spirit of Scotland.*

### Jolly Jenga!

We also got out our **Jenga blocks** last week for some fun and games. Our residents loved playing games of Jenga – building the towers and taking blocks out – which is great for everyone's focus and hand-eye coordination.

Everybody thoroughly enjoyed spending time together and playing games.
