

Carnival Party fun at The Old Downs Residential Care Home

Here at The Old Downs Residential Care Home we had a brilliant time when we hosted a big carnival-style party full of sweet treats, dancing, singing and a touch of sangria!

Our new Recreation and Well-Being Champion Danielle broke out her tap shoes and had everyone dancing along with her. Our ladies and gents loved playing **musical instruments** and wearing **colourful hats** and **sparkly wigs**.

She also made **candy floss** which was a fantastic treat – and she looked brilliant in her sparkly bodice and top hat as she handed out the sweet treats.

Good times!
