

Carols and mince pies at The Old Downs Residential Care Home

On Thursday 23 December, our residents and staff at The Old Downs Residential Care Home joined in for some Christmas carols.

Our **volunteer Mo** played the piano for us and also kindly **made a cuddly toy** for each of our residents which we displayed on the table next to her - what an amazing gesture from a very talented lady. *Thank you so much Mo!*

We all enjoyed some delicious **mince pies and warming mulled wine** afterwards.

What a wonderful festive get together!
