

Celebrating Halloween at The Old Downs Residential Care Home

Here at The Old Downs Residential Care Home we celebrated Halloween last Wednesday with a brilliant spooky party.

All our staff dressed up for the occasion and joined in with our residents to play games including.... *'What can you find in the gloop?', 'The big taste challenge' and 'Who can paint the scariest orange?'*.

Some of our residents decided to try out some scary face paints, which they found a lot of fun!

At lunchtime, our ladies and gents enjoyed a special Halloween-themed buffet (with some spooky twists!) and then joined staff to dance to Michael Jackson's 'Thriller'!

It was a fantastic day! Huge thanks to Vira our Recreation & Wellbeing Lead, Jodie our Activities Champion and Kellie our Chef for all their preparations - it was a truly memorable event and our residents, relatives and friends thoroughly enjoyed themselves.
