

## **Celebrating St Patricks Day at The Old Downs Residential Care Home**

**On Wednesday 17 March at The Old Downs Residential Care Home we celebrated St Patrick's Day with a morning of arts and crafts when we made shamrocks and enjoyed colouring.**

For **lunch** we served pork slice in gravy, Colcannon potato with cabbage, spring onions and broccoli, cauliflower and sweetcorn. Dessert was rhubarb crumble and custard, which went down a treat! *As did the Guinness!*

In the afternoon our ladies and gents enjoyed **Baileys, chocolates** and a **Quiz** about Ireland which was great fun.

*Happy St Patrick's Day!*
