

## **Celebrating the 70s at The Old Downs Residential Care Home**

**On Friday 6 May our residents and staff joined in for a 'Through the Decades - 1970s' celebration.**

We started by decorating our Home with **funky 70s bunting and posters.**

Our residents then came together for a **70s-themed quiz**, some **word search** fun and picture **colouring.**

Later in the afternoon, we hosted a **lively disco party** and everybody thoroughly enjoyed dancing and singing to some classic 70s favourites.

Funky fun!
