

## **Celebrating World Nutella Day at The Old Downs Residential Care Home**

**On Friday 5 February we were delighted to mark a delicious date on the calendar here at The Old Downs Residential Care Home – World Nutella Day!**

Our residents enjoyed making **homemade Nutella milkshakes**, which they decorated with whipped cream, chocolate syrup and mini chocolate bites. *What's not to love?!*

A very yummy end to the week and a super way to celebrate Nutella!

Delicious!
