

Christmas cards and tree decorating at The Old Downs Residential Care Home

Our residents at The Old Downs Residential Care Home have been getting into the Christmas spirit by creative their own Christmas cards and writing them to their families.

It's been a tough year, but we want to make sure that all of our families know that their loved ones are thinking of them. All of their cards will be handed out to relatives when they come to visit.

Our residents were also excited to decorate our **Christmas tree**, even if it was a bit chilly outside! It looks beautiful in silver and gold, bringing some lovely festive cheer to our **Home**.
