

Christmas tree crafts at The Old Downs Residential Care Home

Over the festive period, a group of our residents at The Old Downs Residential Care Home joined in for festively-themed arts and crafts.

Our ladies and gents thoroughly enjoyed making **Christmas trees**; we cut the trees out from green card and decorated them with colourful pom-poms, stickers and glitter.

Later on we **decorated our windows** with our hand made festive decorations.

Who doesn't love a bit of festive sparkle!
