

Church services at The Old Downs Residential Care Home

Last week here at The Old Downs Residential Care Home we hosted two wonderful church services.

The week began with our **Chaplin Reverend Elizabeth** who is part of the **Anna Chaplin** team for the **North West Kent** area. Anna Chaplins are specially trained to minister to the elderly for their spiritual care. They give **Holy Communion** and follow the Church of England services.

Our second service was from the **Pentecostal Church, Longfield**, who are also **volunteers**. They gave us a different kind of service with more **modern hymns and pieces from the Bible**.

Our residents really enjoyed both services and we felt privileged to welcome Reverend Elizabeth and the church volunteers to our Home.
