

Circus party at The Old Downs Residential Care Home

On Wednesday 16 December, here at The Old Downs Residential Care Home, we had another party (and why not?!) with a special circus performance from our Recreation and Well-Being Champion Danielle.

With a larger than life personality, Danielle is a trained circus and sideshow entertainer, having graced the stage and screen!

Our ladies and gents watched in awe while sipping on hot chocolate and munching cookies. And we finished off the entertainment with some festive carol singing.
