

Copacabana fun at The Old Downs Residential Care Home

On Tuesday 11 August we hosted a colourful Copacabana Beach Party at The Old Downs Residential Care Home and our residents loved joining in the fun!

We invited singer **Jasmine** to provide musical entertainment for us and she splashed her toes in a paddling pool as she sang!

Our ladies and gents enjoyed sitting outside in our garden and tucked into **traditional fish and chips** and **coke floats**, followed by **ice lollies** to keep cool.

Everyone had a super time!
