

Creative Mojo visit The Old Downs Residential Care Home for St Patricks Day crafts

We were excited to welcome Creative Mojo to The Old Downs Residential Care Home last week.

[Creative Mojo](#) run all-inclusive craft experiences for the elderly, and specialise in working with people with dementia and also within wider community groups.

They involved our ladies and gents in some fun St Patrick Day crafts. Our residents created some lovely painted paper shamrocks, which were collected together to form an eye-catching St Patricks Day picture to display in our **Home**.

Everyone really enjoyed the focused activity and we are very proud of our display!
