

Easter crafts and egg hunt at The Old Downs Residential Care Home

On Friday 2 April we celebrated Good Friday and our residents had a lovely day here at The Old Downs Residential Care Home.

We started off with **Easter themed arts and crafts** when we decorated Easter eggs. This was followed by an **Easter egg hunt** around our **Home** – *you're never too old to hunt for chocolate!*

In the afternoon our residents enjoyed more chocolate and loved watching an **Easter film** called 'Hop'.
