

Easter crafts at The Old Downs Residential Care Home

Last week our residents created their own Easter cards here at The Old Downs Residential Care Home, reflecting on the Christian calendar event of Jesus Christ.

They also had fun **painting and decorating their own Easter eggs** in bright colours using their creative skills. Our residents' **family members** also joined in and everyone had lots of fun together.

Our residents thoroughly enjoyed these activities as well as the socialising with each other and their loved ones.
