

Fathers Day 2020 at The Old Downs Residential Care Home

Celebration cakes

On Sunday 21 June, we celebrated Fathers' Day with our lovely gentlemen residents here at The Old residential Care Home.

We had a tea party for our gentlemen where they enjoyed beers, Guinness and tea while chatting with each other about their families.

A group of our residents baked some yummy cupcakes the day before (*on Saturday 20 June*) especially for the **Fathers' Day** tea party and they went down a treat!
