

Floral arrangements and bingo at The Old Downs Residential Care Home

Flower power

On Thursday 19 January our residents celebrated International Flower Day at The Old Downs Residential Care Home, with an array of colourful blooms to enjoy.

Everyone thoroughly enjoyed arranging their own flowers and we'll all look forward to doing this activity again soon, as it was both **creative and relaxing** – *the perfect pastime!*

Bingo fun

Last week our residents also **shared a game of bingo** together.

Everyone loved playing, as it **brought back many fond memories** of the old days and we enjoyed reminiscing as we studied our cards.
