

Green fingers and a Garden Centre trip at The Old Downs Residential Care Home

On Thursday 13 October, our residents at The Old Downs Residential Care Home set about planting our seed bulbs and flowers.

They enjoyed adding soil to their pots and planters, sharing the satisfaction of a job well done. We are looking forward to seeing some of them in the spring next year, while we enjoy looking at the other ones now!

As it was **National Parents Day** on Thursday, we took a trip to a **local Garden Centre** in the afternoon where we enjoyed some **yummy tea and cake**.

We all loved looking around the displays and picking up a few more plants. *A thoroughly enjoyable outing.*
