

Halloween crafts and fun at The Old Downs Residential Care Home

Last week our residents joined in to celebrate Halloween here at The Old Downs Residential Care Home.

We thoroughly enjoyed painting some fantastically **freaky pumpkins** and making **chocolate Halloween monster cookies**, which were '*terribly tasty!*'

Our 'coven' of Old Downs ladies and gents looked wicked in their witches hats too!

We also had fun **trick or treating** in our **Home** and our residents were thrilled to tuck into a **delicious buffet** of sandwiches, sausage rolls, quiches and cupcakes, kindly prepared by our Chef.

A great time was had by everybody.
