

Happy birthday Betty at The Old Downs Residential Care Home

A beautiful day for a birthday

Our lovely resident Betty celebrated her 82nd birthday here at The Old Downs Residential Care Home on Tuesday 30 March, and what a beautiful sunny day it was too!

We organised a special garden party for Betty's celebrations. Wearing a lovely pale blue sun hat, she and her friends thoroughly enjoyed the buffet lunch, with a glass of wine or Guinness, and she had a stunning birthday cake topped with icing, cream, blueberries and strawberries.
