

Happy birthday to Jean at The Old Downs Residential Care Home

On Tuesday 16 March our lovely resident Jean celebrated her 86th birthday at The Old Downs Residential Care Home.

She enjoyed a **Zoom meeting** with her family in the morning and in the afternoon we held a special **birthday party** for her, when she loved opening her birthday presents and receiving her beautiful **birthday cake**, decorated with iced flowers.

Many happy returns Jean – we're thrilled you enjoyed your special day!

Jean's birthday bash!
