

Hazel brings PAT dog Barney to visit The Old Downs Residential Care Home

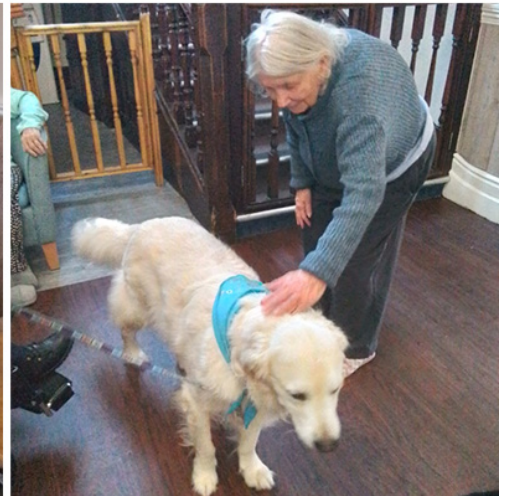

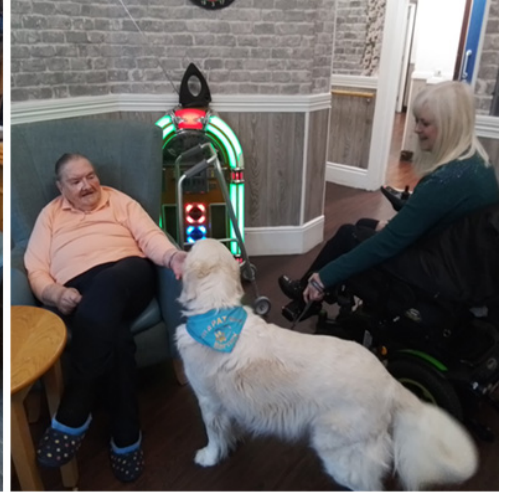

We were thrilled to have a visit from Hazel and her beautiful Labrador Barney on Monday 28 November here at The Old Downs Residential Care Home.

Our residents loved **petting and stroking Barney**, who's such a sweet soul.

He loves to visit with every resident and his **calm and friendly nature** is such a joy - our residents love him!

Thank you to Hazel for bringing Barney to see us all, it's such a pleasure to welcome you both.

We love Barney's visits!
