

## Home chores and crafts at The Old Downs Residential Care Home

**Our residents here at The Old Downs Residential Care Home have been engaged in lots of fun activities in recent weeks during lockdown. From baking cookies to painting pictures and mugs, and from dipping fruit in chocolate to playing games of bingo!**

Some of our ladies have enjoyed doing a few 'household chores' such as putting the washing out, tidying up and doing a bit of gardening. While these things might seem mundane to some of us, they feel content having been useful.
