

John at The Old Downs Residential Care Home receives birthday wishes from the Dorchester

On Thursday 22 October our resident John celebrated his 95th birthday at The Old Downs Residential Care Home.

He enjoyed a special **tea party, birthday cake** and a **visit from his family**, which really made his day.

John also received a very **special birthday letter from the Dorchester Hotel** where he worked as a **Restaurant Manager** for over 20 years – including working with celebrity Swiss Chef **Anton Mosimann**. John was thrilled to receive their birthday wishes and was all smiles throughout his special day.

Many happy returns John!
