

John's special day at The Old Downs Residential Care Home

Celebrating John's birthday

Staff and residents here at The Old Downs Residential Care Home had great fun celebrating our resident John's 79th birthday on Tuesday 2 March.

We organised a rock 'n' roll themed birthday party for him as it's one of John's favourite types of music.

With cheese, crackers and wine, John partied the day away with our Recreation and Well-Being Champion Danielle and his friends.

John thoroughly enjoyed his special day!
