

Jolly Old Pirate Day at The Old Downs Residential Care Home

Shiver mi timbers! On Wednesday 5 May we were taken over by all things 'Pirate' here at The Old Downs Residential Care Home!

Some of our residents helped to make **bunting** for our **Pirate Day**, with coloured card and themed stickers, whilst others had fun colouring in pirate pictures in the morning.

In the afternoon we all enjoyed watching a **virtual pantomime on our Smart TV – Treasure Island**, which was great fun and very engaging.

Our ladies and gents looked very fetching in their **eye-patches and masks**, and loved their **pirate-themed drinks**; rum and cola and root beer, accompanied by some tasty bar snacks.

Great times mi hearties!

Cheers!
