

## National Pizza Day fun at The Old Downs Residential Care Home

To mark National Pizza Day on Friday 9 February our residents at The Old Downs Residential Care Home enjoyed making their own pizza creations together.

Our ladies and gents picked their **own toppings** including cheese, ham, fresh tomatoes, sweetcorn and pepperoni, and carefully decorated their bases. *The table was a buzz of chatter!*

Once cooked, **everyone enjoyed eating them** with a nice cup of tea.

*What a tasty way to celebrate the day!*
