

Queens birthday and circus party at The Old Downs Residential Care Home

Happy birthday Your Majesty

On Saturday 12 June we celebrated Queen Elizabeth's birthday here at The Old Downs Residential Care Home.

Our residents thoroughly enjoyed a **cream tea garden party**, surrounded by flag bunting, with **old time music favourites** playing in the background.

We're sure her Majesty would have approved!

Circus party

We hosted a circus themed party at our **Home** on Tuesday 15 June, with lots of **music & singing!**

We decorated our conservatory and served freshly made **popcorn, cakes and decorated cocktails.**

Daniella from our Recreation and Well-Being Team performed her **record-holding sword balancing circus act and tap dancing**, which was amazing!

All our staff team dressed up in circus costumes too, to bring the whole event to life. *Our residents loved the lively atmosphere!*
