

Raising a glass at The Old Downs Residential Care Home

Cheese and wine

On Monday 30 August we enjoyed celebrating International Cabernet Sauvignon Day here at The Old Downs Residential Care Home.

To mark the occasion, a group of our residents joined in for a **cheese and wine tasting afternoon**.

We had a variety of different cheese and crackers on offer, including brie, camembert, cheddar, smoke cheddar, edam, marmite cheddar bites and stilton cheese to complement the wine.

Everyone had a delicious afternoon!

World Beard Day

We marked World Beard Day on Saturday 4 September!

Some of our staff and residents had fun putting on **beards** and taking **silly selfies**. A very good giggle!
