

## Remembrance baking and music at The Old Downs Residential Care Home

Last week, in preparation for Remembrance Day, a group of our residents at The Old Downs Residential Care Home joined in with a baking session together.

They enjoyed **decorating their own cupcakes in the style of poppies**, using fondant icing to great effect.

Everyone had a great time being creative – *and enjoyed eating their cupcakes too!*

Our lovely residents and staff joined in to mark **Remembrance Day** itself and at 11am we paid tribute to those who lost their lives with a **two minute silence**.

We welcomed **talented singer Jasmine** to our Home in the afternoon to perform a wonderful **World War II show**, full of popular tunes and nostalgia.

*What a touching day, shared together.*

Remembrance music from Jasmin
