

Resident gifts from team member Julie at The Old Downs Residential Care Home

One of our lovely team members, Senior Care Assistant Julie, has kindly donated toiletries to our residents at The Old Downs Residential Care Home.

Julie's religion is Syrian Jacobite and as part of her faith she observes lent, which means that she fasts for fifty days between morning until 3pm, this includes not eating meat. By not buying meat, Julie saved money and kindly bought all our residents toiletries, hairbrushes and shaving sets.

All our ladies, gents and team members would like to say a very big thank you to Julie for such a kind gesture.
