

Residents from The Old Downs Residential Care Home enjoy festive Garden Centre trip

We visited Woodlands Garden Centre last week with a group of residents from The Old Downs Residential Care Home.

We had a lovely time looking at all the pretty **Christmas displays** and **festive decorations**, including some wonderful 'winter scene' lanterns.

Of course no garden centre trip is complete without a stop in the **café for tea and cake!**

It was a really enjoyable outing and everyone loved spending time together browsing all the goodies!
