

## Seaside Day at The Old Downs Residential Care Home

**Who doesn't love a day at the seaside? We certainly do! So we thought we'd bring the seaside to us last week at The Old Downs Residential Care Home, when he held our very own 'Seaside Day' here at our Home.**

We had so much fun theming our communal areas with seaside props, including inflatables and beach balls, as well as a cut-out seaside picture for posing in!

We were delighted to welcome a wonderful singer who entertained our residents with her superb voice and dancing. She was really engaging with our ladies and gents and brought a fantastic atmosphere to our **Home**.

Our residents also played some fun seaside games, including hook a duck, and enjoyed a fish and chip lunch which went down a treat.

*A thoroughly fun day at the seaside!*
