

## St Patricks Day music at The Old Downs Residential Care Home

## St Patrick's Day

Last week we celebrated St Patrick's Day with some wonderful country and western entertainment at The Old Downs Residential Care Home.

Our residents always love an excuse to have a **dance and party**, and singer Jasmine and her partner sang some wonderful songs and really got the lively atmosphere going!

We all had such a fun time, finished off with some lovely **smoothies** to cool us down after all the dancing.

## Fun and games

Our residents have also enjoyed their **weekly games day**, with **snakes and ladders** to start with followed by 'eyes down' for some sociable games of **bingo** together.

These games are always a big hit with our ladies and gents, with lots of laughs from everyone.
