

## The Old Downs Residential Care Home Cruise stops in India

**Our second stop on The Old Downs Residential Care Home Cruise was India on Wednesday 10 March, when our residents enjoyed aspects of Indian culture for the day.**

They started with **henna-style tattoos** in the morning followed by a divine **Chicken Tikka Masala for lunch**, which everyone thoroughly enjoyed.

In the afternoon our staff wore **Indian styled outfits** and we held our very own **Indian food market**, complete with a **7ft snake**, shown around by our Recreation and Well-Being Champion Danielle!

Our residents had an amazing day and enjoyed every moment. *We're looking forward to travelling on to Spain in April!*
