

The Old Downs Residential Care Home hosts a Valentines party with Elvis

We were excited to put on a Valentine's party for our lovely residents and team members here at The Old Downs Residential Care Home on Tuesday 14 February.

The day started with us decking out our dining room with pretty **Valentine-themed decorations**.

Later, our ladies and gents enjoyed entertainment from **performer Gary King, who dressed up as Elvis Presley** and gave us a wonderful show. We danced and sang the afternoon away to Elvis's classic songs, followed by **Prosecco and chocolate** all round.

Everybody had a great time together celebrating the day – *and yes, Elvis has now left the building!*
