

The Old Downs Residential Care Home resident visit Woodlands Garden Centre

On Tuesday 5 March some of our lovely residents and team members from The Old Downs Residential Care Home took the mini bus to Woodland's Garden centre in West Kingsdown.

Our ladies and gentlemen thoroughly enjoyed the trip, taking in the colourful sights of the spring plants and flowers, followed by tea, cake and coffee on the cafe.

As well as enjoying the trip out, our ladies and gentlemen had fun socialising with one another.
