

## **The Old Downs Residential Care Home residents celebrate Mothers Day**

**On Sunday 22 March our residents celebrated Mother's Day here at The Old Downs Residential Care Home.**

Our staff spent time with all of our special mums and we hosted a lovely coffee and cake gathering, with our pretty cake stands filled with goodies!

Our ladies were delighted to open their wonderful cards and presents from their loved ones.

Despite the difficult circumstances, everyone had a really special time together.
